

THE KINDLERS

The Kindlers (Admin), 60 Beech Grove, Acomb, York, YO26 5LA

February 2020

Dear Friend,

I am delighted to send you details of Kindlers on-the-road workshops for 2020. A new workshop available this year is **Walking Cheerfully Over The World**. Like all our events, details of this are on our website at www.thekindlers.webs.com

We are developing a **retreat day** for meetings, which is available at a lower rate than our other workshops; please ask if you are interested.

Our Spring Series is taking place in south London and is sponsored by South London Area Meeting. The attached flyer gives details; the next event will be **Compassionate Communities - Kindness in Action** at Sutton Meeting House on February 22nd.

There will be a Kindler presence at Yearly Meeting Gathering at Bath. Look out for our workshops on listening, exploring inner guidance, and working with the divine in nature. We'll also have a stall at the Groups Fair on the Sunday evening.

The latest in our series of booklets is **Travelling in the Light**, an examination of the continuing relevance of the writings of Margaret Fell. Like all our publications this is available from Friends Book Centre.

Many meetings find that Kindlers workshops, are inspiring and nurturing ways of exploring topics central to the unprogrammed Quaker tradition. Our events are lively and designed to be accessible to all. You may like to pass the enclosed flyers on to

your meeting's elders. The Kindlers is a Quaker Recognised Body, wholly reliant upon grants and legacies. The cost of a workshop in 2020 continues to be £250; if your Meeting finds this a stumbling block, please let us know.

Kindlers are volunteers who love working to develop the Quaker faith. We welcome enquiries from those interested in joining our team. Please contact Val Bone, our clerk, at annievbone@gmail.com or 01706 816 662.

Finally, we are producing a quarterly email newsletter to let Friends know about developments in our work. If you would like to receive the newsletter, do get in touch.

We look forward to hearing from you.

James McCarthy
Kindlers Administrator

How to book a workshop

- Email us on memberquakerkindlers@gmail.com
- Ring me on 01904 330977 or 07388 233409.
- Go to our website www.thekindlers.webs.com to download a booking form.
