48/21 Our MfW have continued during July. Our meetings have been blended meetings in the Meeting House for half an hour at 10:30am Sundays.

49/21 Gerard reminded the meeting that Active Audio Visual are to instal the new equipment for the Blended Meeting on 9th August

50/21 There was discussion about Sunday Meetings. It was decided that the system of Doorkeepers would return in September and that starting next Sunday we would meet for 45 minutes.

51/21 Gerard informed the Meeting of a new Management Group for Buildings, Staff and Finance at Area level. A first meeting was held on Tuesday 3rd August. Whilst we accept that the Trustees have responsibility in law for matters of Building, Staff and Finance, we note that Southport Local Meeting has effectively controlled and managed its own affairs over many years and wish to continue to do so.

52/21 Gerard reported on the transactions shown on the Bank Statements covering the period from 21st June to 20th July 2021.
